MANAGEMENT REPORT

The accompanying financial statements are the responsibility of the Board and have been prepared in accordance with Canadian generally accepted accounting principles. In the Board's opinion, the financial statements have been properly prepared.

As the Board is responsible for the integrity of the financial statements, the Board has established systems of internal control to provide assurance that assets are properly accounted for and safeguarded from loss and that revenues are complete.

AUDITORS' REPORT

To the Legislative Assembly of Manitoba
To the Board of Directors under The Embalmers and Funeral Directors Act

We have audited the statement of financial position of the Board of Administration under The Embalmers and Funeral Directors Act as at December 31, 2001 and the statements of operations and changes in unrestricted net assets and cash flows for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 2001 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
